

Become an ambassador for high-quality evidence based care...

Start your journey to become an

Academy Scholar

By joining the Academy Scholar Programme you will have...

Accredited Level 4 Award in
Project Management

Support to get your project endorsed by NICE

NICE

Your project published

Scholar logo on your email signature

Scholar status certificate

Exclusive Scholar pin badge

***Are you passionate about a care topic and
interested in improving quality at work?***

The programme involves:

- Attending and completing project management training
- Creating a project linked to a NICE best practice guideline
- Implementing your project within your workplace
- Completing assignments based on your project
- Submitting a portfolio of evidence

Note - You will be supported throughout with a tutor and senior advisor to complete the Scholar Programme.

Could this be for you?
