## Have you heard about the Care Professional Academy?

It's a modern digital platform designed to empower your staff, give them a training passport and provide them with a wide range of benefits, rewards, savings & discounts.

### The best part?

Your organisation can become a part of this game-changing initiative completely free of charge.

At the Care Professional Academy, we understand the vital role your staff play in delivering high-quality care services to the people you support. We believe that supporting your teams well-being, especially in today's challenging times, is of utmost importance. By joining the Academy, you can take proactive steps to enhance your employees' financial well-being and overall job satisfaction; which will support you with recruitment and retention.

## So, what exactly does the Care Professional Academy offer?

It's quite simple. Your staff members can access a plethora of benefits by merely uploading their training certificates to the platform.

Imagine your team gaining access to exclusive discounts, rewards & savings on various products and services, all by showcasing their dedication to ongoing training and development via their portal and their unique training passport.

### *But that's not all...*

The Care Professional Academy goes beyond just providing individual benefits. As an employer, you'll also be able to strengthen your organisation's governance & compliance efforts related to Learning & Development.

This means that you can have peace of mind knowing that your training records are securely stored, easily accessible and you receive notifications for refresher training, helping you demonstrate your commitment to maintaining the highest standards of care and professionalism.

### **And... it's FREE!**

**The Care Professional Academy is fully funded for all Hertfordshire Care Providers. This means that you can harness the power of this innovative platform without worrying about any financial commitments.**
