

Become an ambassador for high-quality evidence based care...

Start your journey to become an

# Academy Scholar

By joining the Academy Scholar Programme you will have...

A Scholar status certificate

Your project published & support to get your project endorsed by NICE

Opportunity to achieve accredited level 4 in Project Management

The Scholar logo on your email signature

A chance to showcase your project to CQC at inspection on your path to Outstanding

An exclusive Scholar pin badge

Are you passionate about a care topic and interested in improving quality at work?

## The programme involves...

- Attending up to 5 Scholar sessions - depending on route taken
- Option 1: Completing Level 4 Award in Project Management\* through implementing a change management project to improve quality of care in your service
- Option 2: Implementing a change management project to improve quality of care in your service without the qualification
- Engaging with a HCPA Coach throughout your project
- Creating a project linked to 'NICE' best practice guidelines
- Implementing your project within your workplace
- Submitting a portfolio of evidence

Note - you will be supported throughout by a HCPA Coach, plus Scholars who chose option 1 will also be supported by an HCPA tutor throughout the Scholar Programme.
